J. Grant Esq.

ENSAY,  
OBBE,  
N.B.

Icussii.

Mr. Medway's friend  
gave me your address so  
that I might communicate  
direct with you about  
the times you are kindly  
writing out for me. I only  
want them roughly done,  
and please send me  
each one as you get it  
finished without waiting  
till they are all ready.

I have a specimen of your  
very beautiful work which  
Mr. Filler gave me & which  
I have had framed & has  
been much admired by  
many people. I hope  
Mr. Filler tells you I only

want rough copies of the  
time names, and done  
on one side of the paper  
for convenience in attention.  
I hope the first time I  
am in Edinburgh to  
have the pleasure of  
making your acquaintance.  
and, and to call  
on you & show you  
some of my MSS. as  
I understand you  
are an enthusiast  
in Pibroch, and it

is always a pleasant  
meeting one who is.  
Please keep the list of times  
& any mention of them  
private meantime.

I am  
Yours faithfully

William Stewart  
Major.
